

# CAMP NBCC COVID POLICIES

**Do not send your child to school/camp if they have a low grade fever, sore throat, consistent cough, severe headache or upset stomach!**

**At Camp NBCC we are implementing:**

- Extra Handwashing, especially upon arrival, before and after snack time and bathroom
- Cleaning protocols before and after Afterschool each day, cleaning tables, chairs, door knobs, light switches and games/supplies
- Remaining cognicent of personal space and distance
- HEPA Air Purifiers in all class and activity rooms

# CAMP NBCC COVID POLICIES

\*\*Camp NBCC *does not* have a mask mandate.

Masks *ARE* strongly suggested, especially on the buses and any other time when distance cannot be maintained. \*\*

*If State policy changes to mask mandates, we will update our policies*

- If a child or staff member tests positive for Covid 19, he/she may not return to Camp NBCC for 14 days.
- Close contacts are considered 6 ft away *unmasked* for 15 minutes or more OR 3 ft apart *masked* for 15 minutes or more.
- If you are considered a close contact, you must quarantine for 10days before returning to Camp NBCC
